Competitions

Students can compete in Module and Daily Quiz competitions as individuals or on behalf of their school in national, regional, or sponsored events to win exciting prizes!

ChatterHigh has successfully hosted and promoted national competitions every fall and spring since 2015. Over **\$665,000** in prizes has been distributed to schools across North America.

In addition to the excitement and motivation of competitions, students are able to use points they accumulate from researching and answering questions to enter draw prizes or donate to Food Banks Canada!
